

Condors Bend

A unique course located just outside Renwick. No climbs! (No descents.. boo).

Condors is a roughly 6km Cross Country track winding through forest and scrub. Undulations are of a few metres and less. The circuit twists and turns through the Pine and Wattle plantation between the stop bank and the Wairau river.

LOCATION:

Take SH6 towards Nelson. 4.2km from Renwick Post Office.

When approaching the Wairau bridge from Renwick/Blenheim end, 500m's from the Rapaura Road intersection, take the tar road to the left of the Wairau Bridge SH6 heading towards Nelson, travel 100m then turn left onto the shingle road along the stop bank, travel for a further 400m's then turn down towards the river and the carpark. You don't need a 4x4 on any of the access roads.
